Senator Denise Moreno Ducheny Responds to Governor's Comments on Minutemen

"Praising vigilantes is a recipe for disaster.

The Governor is pandering to the extreme right wing and demonstrating a lack of understanding for our complex, yet important relationship with our neighbors to the South.

When the Governor is starting to make George Bush look moderate, I think this state is in serious trouble. Even Bush has denounced the behavior of the Minuteman.

I will never support citizens taking the law into their own hands.

I encourage the Governor to quit focusing his attention on issues that will not contribute to improving the quality of life for all Californians. I hope that he will consider joining me in tackling the tough issues facing our state like per pupil spending, housing prices and traffic congestion."

Senator Ducheny represents parts of San Diego and Riverside Counties and all of Imperial County.
